

Back-to-School Checklist

- Make sure all immunizations are up-to-date.
- Make your child's health concern known to the school and school nurse especially any new diagnoses.
- Introduce yourself and your child to the school nurse.
- Bring current signed healthcare provider/doctor's orders for all medications and special health needs.
 - Medication Administration Form
 - Allergy Action Plan
 - Asthma Action Plan
 - Diabetes Management Plan
 - Epi-Pen Administration Form
 - Seizure Action Plan
- Together with the school nurse and other appropriate school officials, develop an *Individualized Healthcare Plan* if your child has a health concern.
- Give permission for the school nurse to communicate with your family's healthcare provider.
- Provide parent/guardian contact information and update the school with any changes.
- Make sure your child's daily medication, epinephrine auto-injectors, asthma inhalers, nebulizer medication, insulin, etc. are readily available for use at school.
- Please remember to send all medications with a note giving Gustine ISD permission to administer the medication with a parent or guardian signature. The law does not permit the school to administer any medication without signed parent permission.
- Keep an open line of communication with the school for any changes in your child's health throughout the school year.
- Please complete and return emergency forms and health history forms A.S.A.P.
- Get involved! Sign up for the School Health Advisory Committee (SHAC)
